

Who We Are

Founded in 1989, the Illinois Rural Health Association is a collaborative association of academic institutions, clinics, consumers, EMS providers, hospitals, health care practitioners, public health administrators, public official and others who are committed to strengthening health systems for rural residents and communities through advocacy, education, networking and leadership.

For more information on the Illinois Rural Health Association or to join, visit us online at www.ilruralhealth.org or call 217-280-0206.

Memberships are available for organizations, health care professionals, public officials and consumers with an interest in improving rural health care.

IRHA is a non-profit 501(c)3 charitable organization

IRHA Officials join Rep. Brad Halbrook in honoring Dr. Reid Sutton at Physician of Excellence Award
